VOL 11 NO 37 WEDNESDAY, SEPTEMBER 23, 1970

P.O. BOX 263, St. Albert
Registration No. 1930

Captain Marcel Bergevin, commanding officer of St. Albert Squadron for the past two years, hands over the squadron flag to Captain Les Gault in a gesture symbolizing the turning over of the command. Ceremony took place Thursday evening.

Capt. Les Gault takes command of Squadron 533

Captain Les Gault, a St. Albert resident, will assume his new duties as commanding officer of the St. Albert Air Cadet Squadron on Sept. 1st. He has been an instructor with the cadets over the past year and has had previous military experience in the militia. Handing-over ceremonies took place Thursday evening.

Marcel Bergevin has had four active years with the cadets during which time the squadron has increased from under 40 cadets to 75 last year. He served as sup-

ply officer for two years before assuming command. Prior to that Marcel worked with the Legal Air Cadet Squadron. Marcel will continue his interest in cadet work as a member of the civilian committee under the sponsoring Lions Club.

Captain Bergevin's last duty as commanding officer was the pleasant one of presenting wings to four cadets who graduated this year as pilots: Barry Fildes, Arnold Bendick, Keith Russell and Trevor Maine.

In addition a senior lead-

er's badge was presented to Flt. Sgt. Dave White who graduated from the six-week summer course at Camp Borden.

Eleven certificates were presented to band members who attended summer camp at Penhold, and two to cadets who took the bush camp training at Camp Worthington.

The ceremonies and presentations took place prior to Thursday night's Cadet parade at St. Albert Community Hall.

St. Albert Knights challenge Kinsmen in puck play

Steaks - big thick juicy ones were the order of the evening when they were turning them out 20 or more at a time on a six-foot barbecue set up on Ray Rouault's farm last Friday night.

The occasion was the annual get-together of the St. Albert Council Knights of Columbus Oldtimers Hockey

team, and more than 50 turned out. The Rouault farm was an ideal setting and the Knights had their own lively music supplied by Danny Boisvert and Bob Pompu. Ray LaFrance and Bob arranged the party.

A highlight of the evening was the presentation made by Coach Jerry LeBlanc of

a baby hockey stick to Art Martineau, first line defenceman. Robert Louis may be playing hockey before he learns to crawl!

The Oldtimers hockey team doesn't sign with any league, but they sure do play a lot of hockey in a season. Last winter they met the St. Paul Knights for the third year in a row and travelled to Morinville, Legal, Jasper Place, Stony Plain, Spruce Grove and other arenas. It's all got to be legal because four of their players are in the RCMP. In all they played over 30 games.

After polishing off those steaks the team were more confident than ever that they can handle the St. Albert Kinsmen, whom they have challenged to meet them in the first match to take place in St. Albert's new arena.

Seven contest Morinville elections

Seven candidates will contest the Oct. 14 elections in Morinville. Standing for re-election are Vincent Curtis and Gilbert Boddez for town council; Leon Riopel and Matt Teller for school board.

Newcomers to the local political scene are Yvonne Leduc, who will contest a seat on Thibault school board. Mr. Norman Meunier and

Mr. Garnet Wiley who will seek election to town council.

Mr. Meunier, local businessman and sportsman is a property owner and Mr. Wiley, also a businessman and a community worker, is the first non-property owner to stand for election since the new legislation became effective in Alberta.

Community league project saves arena \$15,000

St. Albert Community League went into action in a big way at 7 a.m. last Saturday morning, and by six o'clock that evening all sewer main connections were installed, and 50 per cent of the interior plumbing was roughed-in at the St. Albert arena.

Thanks to a long day's hard work by 13 professional tradesmen who volunteered their services, and the organization efforts of the league under Marcel deChamplain, the work was done free of charge. In addition a lot of material was donated by various city firms.

But that isn't all. Next Saturday the fellows go at it again and expect to finish

the plumbing rough-in. They were aided by volunteer helpers and could use some more next Saturday.

Anyone who would like to lend a hand on the Joe jobs would be welcomed. . . . just phone Marcel at 599-7003.

All of the professional tradesmen are residents of St. Albert and the last six listed are employed by the town:

Don McDonald, Rock Lemieux, Leandre Letourneau, Ken McAmmond, Nelson Savole, Gerry LeBlanc, Simon LaFrance, Wally Steppe, Pedro Matesic, John Dubois, Henry Belcourt, Don Gagnon and Dale Bellisle.

League members were on hand at the community hall to serve coffee breaks and a noon meal to the workers, as they will do again next week.

It is estimated roughly that the saving made in arena construction cost by this community league project is \$15,000.

And that's not all either. The league is presently running a fund-raising campaign to help the arena and the energetic Marcel deChamplain is hopeful of completing the interior electrical work under the same type of project.

Proceeds from the Halloween Festival next month are earmarked for the arena.

The ladies of St. Albert Community League were happy to serve up a hot noon meal to the band of plumbers who volunteered their services to work at the arena last Saturday morning.

St. Albert Bruin Inn extensions planned

Last week town council approved in principle the proposed extensions to the Bruin Inn, but deferred to the finance committee the drawing up of a lease to let

town land for extra parking facilities for the hotel.

The proposed extension is to the west end of the hotel and will consist of banquetting facilities in the basement for between 400 and 450 people. A new cafeteria and dining lounge are planned for the ground floor, and hotel rooms upstairs.

Mr. A. Hauptman, manager of the Bruin, told council that he was entering into negotiations with the hotel's neighbors to see if parking space could be acquired from them. Failing this, he would be prepared to accept the town's lease of land for a minimum of 25 years.

At a cost of \$50,000, which includes paving, lighting and the provision of car plugs,

Mr. Hauptman intends to provide parking stalls for 240 cars.

Award and Trophy for walkers

A \$25 award will be presented to the school library of the school that raises the most money for the Lions Annual Walk-a-thon on Saturday.

An individual trophy will be given to the student who earns most money as well.

Grad exercises Friday

St. Albert High School graduates will be honored at a special program arranged by the school for Friday, October 2nd.

Graduation exercises will take place in the high school at 5:30 p.m. with a banquet and dance to follow at the Bonaventure Motor Hotel beginning at 8 p.m.

St. Albert welcomes

Dr. Prakash

Formerly in practice in Prince Edward Island, Dr. Anil Prakash, 34, has been in St. Albert five weeks. He is in general practice in association with the Associate Medical Clinic and has surgical privileges at Sturgeon General Hospital.

Dr. Prakash who is living with his wife Sheila and their two boys, Sunil, aged four, and Neeraj, aged two, at 11 Grantham Place, gained his MBBS at Lucknow University, India. After gaining his FRCS in London, England, he worked in England for nine years before emigrating to Canada. His wife, Sheila, is from Barrow-in-Furness, England.

Fires-an evil unnecessary

"Fires can be avoided." That is the thought for the week October 4 to 10, Fire Prevention Week. During this time the St. Albert Fire Hall will be open to service clubs and members of the public where they will be shown fire hazards that can occur in the home, and the means of preventing them.

The fire department also

wish to remind people that the time is here again for the fall clean-up and all heating appliances should be checked before the cold weather sets in.

This year the home inspections will be carried out in the Sturgeon Heights area, and people requiring this service should contact the fire hall at 599-7021.

Buy bulbs and boost St. Albert

Don't forget the annual light bulb sale sponsored by the St. Albert Lions Club on Oct. 5 and 6 commencing at 6:30 p.m.

This year the club is offering Ever-Lite bulbs which carry an unconditional five year guarantee to the homeowner. They will be sold at the low price of six for \$2 which represents approximately a 50 per cent reduction on the suggested retail price.

Orders will also be taken

from commercial firms in the area at greatly reduced prices. Repeat orders will be accepted from all establishments the year round by any member.

The Lions annual light bulb campaign provides funds for community projects, and is conducted on an entirely volunteer basis by the members. Buying bulbs boosts St. Albert.

Half sites booked in Professional Building

Above is an artist's impression of the new Professional Building, which should replace the St. Albert Garage in April next year.

The inside of the building

will be in the form of a mall, and it will occupy a total area of 8,000 feet. Twelve units, for professional people of all kinds, will surround the mall, in

offices of approximately 22' x 22' area.

The construction is to start in November, and with six months for the building to be completed, half the space has already been rented.

Library changes opening hours

Last Wednesday's meeting of the library board decided to extend library hours to include after school opening, effective October 1, 1970. The complete schedule is printed elsewhere in this issue of the Gazette.

This change is due to the response to the survey of members the library has conducted. To date 282 people expressed a desire for these hours; while 140 were satisfied with present hours.

On the question of opening the library on Sundays 206 were in favor and 214 were against. The board agreed not to open the library on Sunday.

Eight hundred books have

been added to the library this year and the staff would welcome the opportunity to serve more of the residents of St. Albert. Annual membership fees are \$1 per individual or \$2 per family.

Mr. C. Tennant is retiring from the library board after completion of a very effective three year term. Any resident interested in serving on the board may submit his name and resume to the town council who have the responsibility of appointing new board members shortly after the forthcoming election.

For further information phone Mrs. Hesse at 599-8125.

Town of St. Albert

Town of St. Albert

NOTICE OF INTENTION

The council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the following area --

- Area 1 on the map rezoned from multiple family (R3) to multiple family (R3A).
- Area 1 plus area 2 have an area of 4.80 acres.
- Area 3 has an area of 0.73 acres.
- Area 4 has an area of 6.27 acres.

The proposed bylaw #29/70 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the secretary-treasurer, Town Hall, St. Albert.

The public hearing will be held in the council chambers on the 12th day of October, 1970 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the secretary-treasurer at his office until 4:30 p.m. on the 7th day of October, 1970. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Swim team holds season wind-up do

Presentations and congratulations were the order of the day when members of the St. Albert swim team and their instructors and parents got together at the Clubhouse for an end-of-season celebration.

The four outstanding swimmers on the team were honored with presentation of the club trophies. Barbara McCaffery received the Outstanding Female Swimmer from coach Bernie Luttmer, donor of the trophy. The trophy for Most Outstanding Male Swimmer was presented to Tom Kehoe by Mrs. Meleshko on behalf of donor St. Albert Pharmacy. Denise Savole received the Most Improved Female trophy from donor Rene Laird and Anne Marie Elkins presented her trophy for Most Improved Male swimmer to Mike Sandomirsky.

All members of the team

received small individual trophies as a permanent souvenir marking the team's championship in the provincial "B" competition for 1970.

Letitia Sopchuk on behalf of the team, presented coach Bernie Luttmer with an engraved scroll and a personal gift, and a desk ornament with swim design to assistant coach John Grave. Letitia expressed the appreciation of all the swimmers for the work and help given by their coaches.

Nearly all of the 75 swimmers and a good number of their parents were on hand for the occasion.

A weiner roast was set up after the presentations and later a swim in the pool finished the celebration.

Story Hour Program Begins at Library

When "Bookworms" story hour program begins Sept. 29, a plan which the St. Albert Library Board has had in mind since it moved into the new building next to the Town Hall, will have been realized.

Mrs. Joyce Stedelbauer has volunteered to take charge of the weekly Story Hour to be held each Tuesday morning at 10 o'clock for five-year-old children.

Mrs. Stedelbauer who holds a university degree in English Literature and Writing, has worked with children at various age levels and has a particular interest in children's writing. In telling the stories she encourages the five-year-olds to take part in such ways as filling in sound effects appropriate to the story.

The library board is keenly interested in stimulating an interest in books in children, and is giving Mrs. Stedelbauer full support in the belief that the "Bookworms" story hour will be of great help. It is hoped that many St. Albert five year old children who are not attending kindergarten will take advantage of the weekly program. There is no charge and arrangements have been made for children attending to take home a book each week to be returned the following Tuesday.

The board also extends invitations to kindergartens and elementary school classes to visit the library in groups, and over the last

year all kindergarten classes and 42 elementary took advantage of this invitation. Only 20 per cent of the library users are children, however.

During the story hour Tuesday morning the library is not open to adults, and parents are asked to bring their children and call back for them. It is hoped that interested mothers will take turns in escorting groups of children, and perhaps fit in an hour of shopping or other errands on the Tuesday morning it is their turn.

The advantage of a story hour program in preparing children to go into grade one is highly recommended by both library and school authorities, and especially for those children not able to attend kindergarten.

Letter to Editor

The Editor:

While it is true that no man is indispensable there will be many occasions in the coming months and years that the separate school district will miss the experienced counsel of Mr. Ron Harvey, now retiring from the school board.

There are many people better qualified than me to praise Mr. Harvey, and they will no doubt do just that in public and in private, but it did occur to me that many newcomers to St. Albert should know that Mr. Harvey has had a very big part

to play in the building up of the fine schools, excellent teaching staff and the whole educational program which today's school children are benefitting from.

Ron Harvey has given a great deal of his time to the trusteeship... perhaps the best wish he can now receive is that he will have time to himself from now on for the many personal interests he has had to forego during his 12 years on the school board.

Zodiac Fashions at Westmount

Maybe you weren't aware that your zodiac sign, as well as affecting your actions and personality, should also be brought to bear when choosing your wardrobe.

On Thursday, Friday and Saturday, at the south end of Westmount Shopping Centre models from Juilliard will demonstrate the influence of your birth sign upon the type, style and color of your clothes, with a selection of ladies' clothing from the ladies wear stores in the mall.

Thursday's show begins at 3 p.m., Friday's at 7 p.m. and Saturday's at 10:30 a.m.

To be assured of your place, apply to the ladies wear stores in the mall for an invitation.

The lady born under the sign of Aries, the ram, March 21 to April 19, for example, should complement her forceful, dynamic personality with flamboyant reds and flame colors, outgoing sporty outfits. Her jewels are garnets, diamonds and bloodstones, while Aries rules clothes imported from England, Germany and Denmark.

Mental Health lecture

Representatives from various town organizations together with members of the public are invited to attend a film and talk in the library lecture room on Tuesday, Oct. 6 at 8 p.m., when Mr. Beck of the Canadian Mental Health Association will be the guest speaker of the St. Albert Help Society.

The society wishes to draw the public's attention to the need, in a growing community like St. Albert for local people to co-operate in work of this kind.

Children are the only people on Glenmore Crescent who are enjoying the sandpiles. Motorists are cursing and housewives are having a hard time to keep up with dust, sand in washing machines and tracking on carpets. Frightful nuisance for pedestrians in open-toed shoes as well, according to reports.

Saints Lose Playoffs

St. Albert Willowbrook Saints went into the Oilfield Baseball League playoffs minus four top players including their two leading pitchers, Fred Resler and Bud Pylluk and could not contain the bats of Breton Eagles and Warburg Buffaloes. As a result they lost both games and were eliminated with nothing left to do but watch as Warburg defeated Breton in two straight games to win their second league championship in a row.

Saints held a one run lead on Ray McMillan's homer over the left field fence until the fifth inning when Breton came up with five big runs on two errors and three base hits.

Saints managed to come up with three runs in the seventh inning but Breton went on to win 8 - 4. Richie Perrault was the losing pitcher.

The loss put Saints against Warburg, a club they had defeated 4 - 3 in the opening round of the double knock-out competition.

Saints showed little form that won them first place in the eastern division standings as they were trampled

by the Buffaloes 6 - 0 as winning pitcher Leeson Ruff and his mates scored two runs in the second inning and never looked back.

Ray McMillan took the loss and was relieved by Wayne Biggs who appeared to be the best of the St. Albert chukkers. This young lad is just 17 years old and if he continues to develop the Saints will have an excellent prospect for the years to come.

The win for Warburg placed them in a difficult position of having to defeat Breton twice but being an older experienced club they played like champions and won the first game 12 - 4 with ease.

Veteran Leeson Ruff was on the mound and pitched an excellent game with his team-mates coming up with timely hits.

The final game was probably the best one played all years as Breton jumped into a quick 2 - 0 lead in the second inning. Warburg came back in the third to tie the score but Breton knocked Leeson Ruff out of the box on three hits and an error by Garry Panky on a sure double play ball. When the fifth inning was finally over Breton had a commanding 6 - 2

lead.

Warburg's first two batters in the sixth were put down with ease but they managed to get the next two on with a walk and a base hit. Garry Panky then popped up between home and first with what appeared to be an easy out. Three Breton players got into position for the catch but at the same time all three decided the other should take it and it fell between them.

With a second life Panky made no mistake and hit a tremendous home run over the centre field fence. By the time the inning ended Warburg had a 7 - 6 lead. Breton had runners on base in the sixth but could not bring them in.

Panky continued his hitting show in the seventh with a second home run over the right field fence and Warburg won the game and championship 8 - 6.

Larry Lafreniere was the winning pitcher taking over from Ruff in the fifth inning.

This marks the end of the season for St. Albert and all the players and coaches wish to thank their many fans.

A special thanks goes to sponsor Rudy Schiebelhofer for making it all possible.

Shown with club trophies are the four outstanding swimmers on the St. Albert swim team: from left, Barbara McCaffery, 14, Most Outstanding Female; Denise Savole, 10, Most Improved Female; Mike Sandomirsky, 9, Most Improved Male; and Tom Kehoe, 13, Most Outstanding Male.

Well-known pioneer passes

Funeral services were held in the St. Albert Roman Catholic church on Sept. 17 for the late Armand Gervais 69, who passed away after a brief illness on Sept. 14. Rev. Roland Sevigny officiated assisted by Rev. O. Labelle OMI, amid a very large congregation of friends and relatives. Interment followed in the Holy Cross Cemetery.

He is survived by his widow, Mrs. Mabel Gervais one son, Hector, at home in St. Albert; three daughters: Mrs. E. (Irene) Grams, Edmonton; Mrs. J. (Marie) Kozachuck and Mrs. B. (Leona) Bruins of St. Albert; 15 grandchildren, and two great grandchildren; three brothers, Mederic, Stanley and Andrew, all of Edmonton; five sisters, Mrs. Roseanna Blais, Edmonton; Mrs. I. (Clara) Cote, New Westminster; Mrs. H. (Eva) Pengelly, Bon Accord; Mrs. E. (Aurore) Fawcett, Edmonton; Mrs. Alma Samis, Edmonton.

Mr. Gervais was born Nov. 8, 1900 in Cardiff, son of the late Mr. and Mrs. Pierre Gervais, pioneers of the district. He attended school in Cardiff and later was instrumental in the opening of the Banner Mine on the family farm along with his father and brothers. Mr. Gervais was also interested in sports, beginning in his youth, and was the star pitcher of the Cardiff Miners. He later became pitcher for the Edmonton senior baseball team.

In 1922 he married Miss Mabel Perrott of Riviere Qui Barre and moved onto the

Dominique Montpetit dies at 80

Mr. Dominique Montpetit died on Sept. 13 at the Immaculate Hospital in Westlock where he had been a patient for two weeks.

Born in St. Etienne de Beauharnois, Quebec, in 1888, Mr. Montpetit remained in the east until 1910 when he moved to Legal.

In 1913 he married Lucia Quesnel. From then until 1953 they farmed in the Dilligency and Fairdeil districts. In 1953 they took up residence in Edmonton and in 1959 retired to their home in Legal.

Mr. Montpetit is survived by his loving wife, Lucia, one daughter, Mrs. Allan (Claire-Yvonne) Keane and three sons, Henry, Fernand and Hector. Also surviving are two sisters, Mrs. Angeline Charrette of Ottawa, and Mrs. Marie Montpetit Legal; also two brothers, Joseph of Orleans, Ont., and Albert of St. Albert.

Mr. Montpetit will be long remembered as a loyal member of his church, for his service to the community and for his kindness to little children.

Funeral services were held in St. Emile Church in Legal with interment in the family plot in the church cemetery.

ARMAND GERVAIS

family farm near Cardiff. He continued with the mine operation until 1925. The family then moved to Riviere Qui Barre on the land of Robert Comeau. After one year Mr. and Mrs. Gervais and baby Irene returned to the Cardiff farm.

In the spring of 1928 the family moved on the late Nick Perrott land northeast of St. Albert. Three more children were born there, and Mrs. Gervais and Hector still make their home on this farm.

Mr. Gervais was always an active community worker. He helped dig the basement of the present St. Albert Community Hall with horses and scoops, and served as a community board member for eight years.

Armand Gervais was also

a charter member of the St. Albert Curling Club and he was one of the volunteers who donated much time to help the contractor build the first St. Albert Curling rink. He and his son Hector were the first caretakers and worked from 1949 - 52 at the local curling rink.

The family have been good farmers. The late Mr. Gervais cultivated 270 acres of which 100 acres were broken from virgin soil. Working with his son, he developed one of the first potato farms in the district. They began with a five acre plot in 1952 and worked up to a peak year with 150 acres in 1965. Father and son also worked hard and long to manage a chicken farm producing 100,000 broilers annually. Still in full production each 20,000 flocks takes nine weeks to market.

The Gervais family are all sports enthusiasts, but the ultimate came when Hector won international fame in the curling world.

Failing health forced Mr. Gervais to retire from active sports in 1965, but he continued to attend many local sporting events as a keen spectator. He enjoyed happy years in semi-retirement on the home farm with his children and grandchildren around him. Mr. Gervais entered hospital Sept. 11 after a cardiac attack and passed away on Sept. 14.

Blood Donors Clinic planned

MORINVILLE - Some 14 delegates of various district organizations attended the 1970 organizational district Red Cross meeting held in Morinville Recreation Centre last week. Two ladies from the Nanao United Church were also welcomed.

Mrs. Rose Martel, district Red Cross chairman chaired the meeting hosted by the local sponsors of the Blood Donor Clinic, Les Femmes Chretiennes of Morinville.

Mrs. Alice St. Germain, treasurer, gave a very successful report.

Mr. Gary Cook of Edmonton, newly appointed Red Cross director for this area was introduced.

Lions Club members again have volunteered to set up the clinic, and also look after the country area for the Red Cross financial campaign, Oct. 1 to 28 working conditions permitting.

Mrs. Hector Borle of Mearns has taken charge of the Red Cross campaign for that part of the district.

Volunteers are needed for Riviere Qui Barre, Alexander Reserve and Calahoo Villeneuve and Volmer.

Mrs. Sheila Houle, RN of Morinville, has volunteered to take charge of the blood donor volunteer helpers for both afternoon and evening.

Babysitting services will be provided at the Morinville Recreation Centre during the blood clinic hours. Mature ladies are needed to supervise junior helpers in the afternoon and evening shifts.

Mrs. Elizabeth Keiser, will be in charge of hostessing and the check room facilities and Mrs. Rhonda Stapleton will head the registrars for afternoon and evening.

The ladies of the Morinville Royal Canadian Legion Branch No. 176 Auxiliary have once again volunteered to provide refreshments to all patrons of the clinic.

A united effort among ladies church groups in Morinville will canvass the town for funds in October.

Tea will honor Sister Alberte

MORINVILLE: Rev Sister Germaine Boivert, Fille de Jesus, (Sister Alberte) who has taught school in Morinville for the past 16 years will be honored at a retirement appreciation tea in the Morinville Recreation Centre on Sunday, Oct. 11 between 2 - 4 p.m., sponsored

by Les Femmes Chretiennes. This will be a public tea to give an opportunity to everyone to meet and visit once more with this devoted teacher who has made education her life work since 1927. For the past 40 years she has worked with dedication in Alberta schools.

Banff, Vancouver honeymoon for Legal couple

St. Emile's Church, Legal, was the scene of a late afternoon ceremony when Louise Champagne exchanged marriage vows with Robert Regimbald.

Louise is the daughter of the late Mr. and Mrs. Henri Champagne, formerly of Edmonton, and Robert is the son of Mr. and Mrs. Leo Regimbald from Legal.

The triple ring ceremony was performed by Father Georges Chevrier, from Edmonton, before an altar banked with baskets of yellow and white chrysanthemums and carnations.

The organist was Marcelle Baker and soloists were Paul and Lucien Lorieau.

The bride was given away by her uncle Fernand Champagne. She wore a legoda crepe gown with empire waist, trimmed with gulpure lace, bow lace at neckline, her bell sleeves were edged with matching lace, as was her detachable train. A bouffant shoulder length veil was secured by a cluster of white roses.

She carried a colonial cluster of white roses, daisies and gladiolus, accented by a fern trellis.

The maid of honor, Rachelle Champagne, sister of the bride, and bridesmaids

MR. & MRS. ROBERT REGIMBALD

Louise Regimbald, Irene Louise Regimbald, Irene Tieulle, and junior bridesmaid, Lorraine Champagne chose identical semi formal dresses of gold and white brocade.

They carried cascades of white shasta daisies with their hair adorned with yellow chrysanthemums.

Best men were Georges Regimbald, Marcel Regimbald, Georges Constantin and Louis Lecavaller. Ring bearer was Albert Champagne, from Morinville and ushers were Denis Chalfoux and Raymond Tremblay.

Following the ceremony a banquet, dance and reception were held at the Legal Community Hall with Walter

Van De Walle as master of ceremonies. Mr. Henri Constantin proposed the toast to the bride.

For their wedding trip to Banff and Vancouver the bride wore a pink fortrel long sleeve dress with matching brocade sprayed vest and black accessories.

Out of town guests were Mr. and Mrs. Larry Tangen Vancouver, Marcella De Roo and Gil Peterson, North Battleford Sask., John Montpetit Dawson Creek, B.C., Mr. and Mrs. Guy Van Brabant, St. Paul; Paul and Louis Tremblay, Calgary; Mr. and Mrs. Maurice Gravelle, Big Horn; Mrs. Adele Tremblay Girouxville; Mr. and Mrs. O. Brousseau, St. Vincent.

Joseph Pelletier dies at 88

MORINVILLE - On Sept. 13, Joseph A. Pelletier, 88, formerly of Morinville and Youville Home, St. Albert, died after a long illness.

Funeral services were held on Sept. 16 at St. John the Evangelist Roman Catholic church, Edmonton, and interment followed in the

Holy Cross Cemetery.

Pallbearers were six grandsons, Kenneth and Allen Pelletier of Morinville; Charles Pelletier, Larry Arcand, Guy Milner and Dale Thominson all of Edmonton.

Born in Sainte Louise, Conte de Lilette, P.Q., the late Mr. Pelletier came to

Rosetown, Sask., in 1910, and settled on a farm in the area, marrying the former Miss Camillia Fortin.

In 1923 Mr. and Mrs. Joe Pelletier and four children moved to Morinville from Rosetown. They established a large dairy on the farm located on the eastern outskirts of town, formerly owned by the late Joe Gervais.

Eight more children were born in there and in 1938 Mr. and Mrs. Pelletier retired from the farm. Mrs. Pelletier predeceased her husband 12 years ago.

Mr. Pelletier retired to Chateau Sturgeon in 1962. Failing health obliged him to retire to Youville Home two years ago.

He is survived by eight sons and four daughters: Gerard and Laurent, Morinville; Charles, Romeo and Andre, Edmonton; Roland, Seattle; Robert, Red Deer; Joseph, Santa Barbara, Calif.; Mrs. Richard (Isabelle) Arcand, Mrs. W. E. (Therese) Milner, Mrs. G. L. (Eveline) Babin, Edmonton; Mrs. W. (Antoinette) Thominson, Red Deer. One brother, Leon, Rosetown, Sask. 52 grandchildren and eight great grandchildren.

Alcomdale Sewing Club-elect officers

A reorganization meeting of the Alcomdale 4-H Sewing Club was held on Sept. 10 at the home of Mrs. C. Stitson. There were 16 members present, five of whom were new.

Dawne Brennels and Cathleen Brennels told of their enjoyable two weeks in Wisconsin while Audrey Whitson and Elizabeth Stitson gave an account of their week's stay at Camp He-Ha. Mrs. L. Whitson was then elected as leader and Mrs. D. Brennels as assistant leader for the club.

Officers elected were as follows: Diane Falls, president; Colleen Harkin, sec-

retary; Frances Busenius, vice-president; Cathleen Brennels, treasurer; Beth Petrie, club reporter.

Other members are: Dawne and Violet Brennels, Shirley Denhke, Audrey Whitson, Mary Mensink, Cathy Kyle and Elizabeth Stitson. New members are: Lois and Cathleen Brennels Heather Hartum, Helen Busenius and Debbie Shaefer.

Mrs. Whitson then presented Elizabeth Stitson with her general proficiency award from last year. An executive meeting was set for Sept. 14 and a works meeting decided upon for Sept. 24.

Bob Boisvert wins

Bob Boisvert, 22-year-old son of Mr. and Mrs. Robert Boisvert of Edmonton, (formerly of Legal) has been awarded a \$1,500 scholarship to study at George Williams College in Chicago.

He has recently graduated from the Northern Institute of Technology in social work and was granted the scholarship to further his studies in the field of marriage counselling.

Upon graduating from George William College, Bob will be qualified to open a marriage counselling office either in the United States or Canada.

Applicants for the scholarship must meet high standards both as to marks and record of personal integrity and performance.

Bob left for Chicago on Monday.

Bon Accord

The council meeting of the Village of Bon Accord, held on Sept. 9, authorized the establishment of a dog pound. Mr. Jim George was appointed dog catcher, with authority to impound any dog at large in the village.

Water quality concerns all

What are the things that affect the quality of water and what can be done about them?

Water that has been contaminated by bacteria is not safe to drink. The contamination is usually caused by either human or animal excreta. Although it is difficult to test directly for disease producing organisms in the water, other organisms from human and animal wastes can be identified by having a sample of water tested.

Algae in water are not harmful, but if present in large quantities will give the water an unpleasant taste and appearance. Turbidity or muddy water is not harmful either, but most people object to drinking it. The turbidity is caused by fine soil particles that are held in suspension in the water.

Decaying organic matter causes an unpleasant taste and odor in water. A charcoal filter will usually improve both.

Iron in water is not injurious to the health, but will leave rusty stains on appliances, water fixtures and clothes. Tea and coffee made from water containing even small quantities of iron will be different in color and taste to that made with water containing no iron. The iron, which usually comes from the soil, can be removed, but the method of removal varies according to the iron content of the water.

Nitrates in water are caused by decaying organic

matter. The water can be dangerous for both human beings and animals. A high nitrate level in a water supply is often caused by seepage from livestock barns.

Calcium or magnesium or both are responsible for water being hard. Soap will not lather in water that contains one or both of these chemicals, and a film will be left on clothes and dishes washed in hard water. Scale formations may appear in water heaters and hot water pipes. Hard water can also cause skin irritations. Water softeners will remove these chemicals.

Sodium salts are not harmful in water, but combined with carbonates to form soda water, they will "pit" aluminum containers.

Sulphates are present in the water in some areas of Alberta. More commonly known as Epsom Salts or Glauber's Salts, these sulphates have a laxative effect. It is too expensive or impossible to remove them from domestic water supplies.

Lead is rarely found in water, but is poisonous when present.

Anybody who is in doubt about his water or wants to find out if he can improve its quality should send a sample to the provincial analyst, O. S. Longman Bldg 6903 - 116 St., Edmonton, Alberta, or to his public health office.

Oil eggs fast for best storage

Tests have shown the best way to preserve egg quality is to oil them the day they are laid. The eggs tested stored twice as well as eggs oiled the day after lay and much better than eggs that weren't oiled at all. Because of their high quality, oiled eggs will probably be easier to market this summer, says Dr. A. T. Hill of the Canada Agriculture Research Station at Agassiz, B.C.

For best results during the hot summer months, eggs should be collected four times daily and stored right away in a room held at 50 degrees Fahrenheit with 75-80 per cent relative humidity, Dr. Hill says.

Then, oil all hen eggs and ones laid by pullets that have been producing for six months. Albumen quality drops very quickly in 48 hours after laying, but the oiling process materially assists in preserving quality.

Earlier tests from the Agassiz Station have shown that oiling eggs the day after lay could earn Canadian producers an additional \$1,000,000. The extra income would be even higher if eggs are oiled the day they are laid.

Quality of Pork demand is below

Alberta swine breeders claim that they produce some of the best pigs in the world, and while this is undoubtedly so, something happens to many of these good pigs before they reach market, says a federal livestock official.

Vince Macdonald, Edmonton district supervisor of livestock production and marketing, notes that in the period from Jan. 1 to July 25, 1970, a total of 819,728 Alberta hog carcasses were inspected at approved packing plants. Yet only 94,458 or 11.5 per cent of these met an index of 100 or higher needed to qualify for the federal government's quality premium.

There's always been a tendency to associate the low quality of Prairie hogs with an excess of wheat, but it can't all be blamed on the large volume of unmarketable wheat now stored on farms. Even Saskatchewan farmers, who probably have more surplus wheat than Albertans, marketed a higher percentage of hogs during the past six months that were eligible for the premium. According to Mr. Macdonald, during the same six month period producers in the wheat province marketed a total of 366,686 hogs of which 46,931 or 12.8 per cent earned the quality premium with an index of 105 or higher.

The Atlantic provinces continue to lead the nation in production of quality hogs. During the January to July period 23.0 per cent of all Maritime hogs qualified for the federal premium. British Columbia was second with 15.9 per cent, Quebec was third with 14.1 per cent and Ontario was fifth with 12.3 per cent.

At the beginning of this year the federal government

introduced a new grading system designed to recognize and reward the producer of quality hogs in this country. Although it may be too early to expect results, so far there does not appear to be any appreciable improvement in quality, and Ottawa is reported to be planning to drop the quality premium at the end of 1970. During the current year there has also been a sharp decline in the number of hogs being placed on test at Record of Performance stations across the country, and this is a further cause for concern.

At a time when so much emphasis is being placed on quality it's unfortunate that farmers themselves are not making a greater effort to produce and market the premium product that the consumer is demanding, Mr. Macdonald says.

"They have good basic stock and there's any amount of information available on feeding and management. What seems to be lacking, in most cases, is a real desire on the part of many producers, to market a product that will meet today's high quality standards."

Grain Markets

Farmers who want to purchase grains (barley, oats, wheat, etc.) or who want to sell these grains locally may contact the district agriculturist's office where a list of these grains is maintained for this purpose.

Performance Records

The Record of Performance program available to all cow-calf enterprises is an excellent means of recording weights at birth and weaning. Farmers now on this program have a complete record whereby they know what cows are the best and can cull accordingly.

Farmers who are interested in this program should contact the district agriculturist relatively soon in order to schedule the participating farmers for weighing this fall.

Ups & Downs of Fall Fashions

THE HOMEMAKER
By Pat Prymak

Are you one who is sitting around waiting to see what will happen to the hemlines this fall? Well, you're not alone! Fashion buyers, retailers and consumers are all taking the same seat.

The Midl Without Fear - What is the midl all about? It means a return to longer and therefore softer, more elegant side of fashion. The advent of the midl is not really a conspiracy to make us spend more money; it is the inevitable reaction to a short look that went too far.

When shopping this fall, you'll find hemlines in the more fashion-conscious collections to be longer, but there will be no such thing as just one midl length. Lengths vary from slightly above the ankle to a smidge below the knee. A good first midl buy might be a coat, for it will be wearable over all your hemlines - long or short.

Accessories Do Their Thing - The midl has put a new focus on accessories, an essential aspect of any fashion. Most important is a properly dressed leg - dark or colored stockings, boots or pants. Also important are the new belts, scarves and chokers (the midl shifts attention to the face). Small clutch bags or shoul-

der strap purses and close fitting cloche hats complete the look.

Revamping Last Year's Wardrobe - Maxi coats can be reincarnated to midl this year. Shorten maxi to mid-calf or leave it as long as an evening coat.

Minis can be converted into the tube-look over straight-legged pants.

Neck scarves, belts, opaque stockings, tail boots, complete the revamping.

Midl Coat on the Move - The midl coat is warmer than the mini and less cumbersome than the maxi. The best coats are classic, with simple, slim lines, most often belted and frequently flared at the hemlines.

Among them are many trench coats and wrap-around styles. Wear the new coat with boots snugly fitted to the leg and foot, straight-legged pants, or coordinated shoes and stockings.

Name of the Game - In this era, with free-thinking predominating, it is the time of "doing your own thing" and non-conformity. Many of the fashion leaders have accepted the new longer look, yet just about as many are having no part of it.

Midis are expected to be accepted first by the teens and young career girls. Coats and vests will probably be fairly common, with dresses and skirts taking longer to catch on.

Mrs. Esther Davo passed away at the age of 85 years on Sept. 2.

Funeral services were held in St. Emile's church at Legal.

Her grandsons were pallbearers, Robert Rudiger, Lac La Biche; Leon Davo, and Laurier Davo, Whitecourt; Marcell Servont, Calgary; Paul Garneau, Edmonton and Guy Garneau, Legal.

She leaves to mourn two sons and four daughters.

Roland and Edmond,

Whitecourt; Mrs. L. (Lucienne) Rudiger, Lac La Biche; Mrs. Marie-Louise Garneau, Mrs. H. (Cecile) Garneau, Legal; Mrs. J. (Jeanne) James Warwick Rhodie Island, 46 gr and child 1 son and 36 great grandchildren. One sister, Mrs. Lucienne Condrotte from Grimeshaw. Born in Chassepierre Belgium, Esther Letin, in 1885, she came to the United States at the age of 15.

She married Leon Davo in Providence, Rhode Island in 1913 and lived in Vimy and Ferdiel district for seven years, then they moved to Legal where she resided for 50 years.

Mrs. Davo was predeceased by her husband in 1952 and two daughters Yvonne in 1934 and Marcell in 1958. The deceased was a member of the Femmes Chretiennes.

The family wishes to thank everyone for their acts of kindness and expressions of sympathy, mass offerings, flowers, Les Femmes Chretiennes, and the devoted Fathers who concurred at the funeral mass.

Morinville

When refused admission to a house at Sandy Beach, a Morinville man, 22 year old Leonard Powder, kicked the door in, causing \$10 worth of damage.

Powder, who pleaded guilty to a charge of wilful damage on Sept. 11, at St. Albert Magistrates' Court last Wednesday said he had been drinking and did not know why he committed the damage. He had previous convictions for assault, theft and armed robbery.

Prestiding magistrate, Mr. Glendenning, fined Powder \$25, and ordered him to pay \$2 costs and \$10 restitution.

Everyone is invited to attend a farewell evening for Father Martineau and Father Simard on Sunday at the Community Hall at 8 p.m.

Expressions of sympathy are extended to Mrs. Germaine Mullen who is mourning the loss of her sister, Mrs. Roland Choquette, from Edmonton.

Mr. Adrien Messier, from Montreal, accompanied by his son Father Marcel Messier, a missionary in Brazil, were in Legal visiting their relatives last week. A family reunion was held at the hall where everyone had the opportunity to meet and hear the Father speak of his experiences in the mission field.

Gibbons

Gibbons volunteer fire department are to carry out a full-scale house inspection in the villages of Gibbons and Bon Accord as their effort for fire prevention week - Oct. 4 - 10.

Please co-operate with the firemen when they call on you.

Morinville district

On the sick list this week Mr. Roland Lambert and petite Jacqueline Chalfoux five year old daughter of Mr. and Mrs. Norman Chalfoux, are reported in Edmonton hospital.

Mr. and Mrs. Philip Turgeon entertained at a stag party recently in honor of Mr. Lionel Therberge's 21st birthday.

Mr. and Mrs. Vincent Curtis are enjoying a camping trip through the B.C. Hart highway.

Tim Bussey and Lionel Therberge are enjoying a holiday trip to Banff this week.

Sincere expressions of sympathy are extended to Mr. Thomas Pelletier and family on the recent death of his father, Mr. Edward Pelletier, 81, who passed away recently at Yvonne Home. Also to the Armund Gervais family and to the sons of the late Mr. Joseph Pelletier.

Miss Denise Chevalier was the guest of honor at a recent bridal shower in the Morinville Legion Hall hosted by Mrs. Rita Charest and Mrs. Jeanne Elhier with 65 ladies present. Seated at the head table were Mrs. Denise Chevalier, accompanied by her mother, Mrs. Ubald Chevalier, Miss Denise Labonte, Mrs. R. Semichuck of Edmonton, Mrs.

The Legal Students' Union is off to a good start. Elections, held on Sept. 9 resulted as follows:

President - Marcel Brisson; secretary-treasurer - Rita Krausker; boy's social convener - Laurier Brisson; girls' social convener - Marjolaine - Chamberland; boys' sports rep - Dave Kallai; girls' sports rep - Juliette Gagne; photographer - Yvonne Brisson.

Each class also has its own representative:

Grade 9 rep - Danny Rivard; grade 10 - Gerald Letourneau; grade 11 - Corinne Bergevin; grade 12 - Theresa Keane; grade 12 - Julie Gagne; grade 12 - Bernice Mercier.

On Friday, Sept. 11 the grade nine class, consisting of 32 students and seven newcomers to the school, six from Vimy, were initiated and are now legally members of the student body.

Frosh was a great success. The Kangaroo Court commenced at 7:30, with the school gymnasium filled with encouraging parents, teachers and students. Afterwards a sock hop rewarded the frosh victims for their good

Joan Morin and Mrs. O'Neill Chevalier. Games and contest with a variety of prizes were enjoyed.

Miss Chevalier was presented with a Teflon kitchen set, an electric frying pan and a purse from all the well wishers. She will become the bride of Mr. Roay Semichuck of Edmonton in a local church wedding on Oct. 10.

Mr. Gaston Kremer flew to Montreal last week where he attended an International Harvester convention.

Mr. Tom Houle attended a seminar of St. Christopher courses recently in Edmonton.

Last Friday the annual Frosh Day was observed at Georges Vanier High School in Morinville. Grade 10 pupils got the usual extra chores and were victims of senior students.

At the Kangaroo court held in the evening, 43 frosh students were initiated under the judgements of presiding Judge Daryl Tremblay, assisted by Sharon Saunders, Louise Boissonnault, Jean Verbeeck, Elaine Himschoot, Camille Remillard, Bernice Chalfoux, Charlotte Borie and Nora Kool who were all devil's advocates for the evening.

Later in the evening the Morinville MYR sponsored a student's dance in the Morinville Centre with the Big Dipper Green orchestra supplying the music.

sportsmanship during their ordeal.

The students will be putting an earnest effort into their work, trying to make this 1970-71 school year one of the better ones. But they need co-operation and encouragement.

Improved water for Gibbons

Gibbons council are to help with the local organizations' purchasing of a lawn mower.

A new water treatment system will shortly be installed in Gibbons, improving the taste of the water and the quality of the supply system.

After experimental curbing in the town, the rate-payers of Gibbons have

expressed their desire for further curbing. Finances prohibit the installation of further curbing this year, but next year the council hope to carry this out.

On Sept. 9, Gibbons council approved bylaw 137 prohibiting the use of fireworks and firearms of any kind within the village limits.

Card of Thanks

We wish to express our sincere thanks and appreciation to many friends, neighbors and relatives for their kindness, sympathy, masses and floral tributes during our recent bereavement in the loss of our dear husband and father. Special thanks to the Immaculata Hospital (Westlock) staff and doctors who cared for him during his illness. Special thanks to Father Bissomette and also to the ladies who attended to the lunch after the funeral.

Mrs. Dominique Montpetit and family.

Around Town

We welcome the following to St. Albert:

Mr. and Mrs. Gusta and family; Mr. and Mrs. Burry and family; Mr. and Mrs. Wunsch and family; Mr. and Mrs. D. Palmer and family of Braasbo.

Mr. and Mrs. Bourbonnais and family; Mr. and Mrs. Unger and family; Mr. and Mrs. Legassick and family of Grandin Park.

Mr. and Mrs. Shabeky and family of Ridgewood Terrace.

Mr. and Mrs. Stanton and family; Mr. and Mrs. Brauer and family and Mr. and Mrs. Thomas and family of Sturgeon Heights.

Keep the boys of the Leo Club in mind as hallow'en draws near. The newly-formed Junior Lions members will be selling candy.

Members will bring gifts for the Alberta Hospital at Oliver when they answer roll call at the Sept. 29 meeting of St. Albert Women's Institute. The meeting is being held at the home of Mrs. Vienne at 22 Glenmore Cres. where projectors will be set up for the use of the speaker the group will have as their guest from the Canadian Mental Health Association.

Rae Bate returned home Monday after successful

The eye-catching posters describing the new Story Hour program called "Bookworms" at the St. Albert Public Library, posted at Perrons, Safeway and the Library were done by Betsy vs who volunteered her services.

A goodly number of old and new curlers took in the get-acquainted evening last Friday night and a swinging time was reported. While looking over the new paint job and other improvements to the ice surface area we noticed that the Bank of Montreal display sign in the rink is the only place where the attractive new BMW blue advertising campaign is not in evidence. The B of M is green at the rink.

Anne Hapchyn of the St. Albert library board tells us the board is delighted to have the services of Joyce Stedelbauer for a once-a-week story hour Tuesday mornings. Since the board operates on a strict budget, volunteer help is always welcomed and other St. Albert residents who would be interested in any form of library work are invited to call Anne at 593-3606.

Rae Bate returned home Monday after successful

minor surgery in the Edmonton General Hospital. She plans to take things easy for a while before returning to work at the beauty parlor she and her husband Bob operate: Rae's Beauty Salon on Perron street.

The Sturgeon River Association of Girl Guides will be holding their second paper drive of the season on Oct. 31 to raise funds for the association. Here is a fine chance to get rid of newspapers, cartons, boxes, magazines, pocket books and so on, and to be a hero doing it. Loads should be taken to 17 Madonna Drive.

The St. Albert Catholic Women's League wish to extend an invitation to all ladies of the community to join with them in an "Evening of Reflection" on Thursday, Oct. 1st. An hour's spiritual program will be followed by coffee and refreshments and, hopefully, inspiring conversation.

Remember, everybody's welcome at the Star of the North Retreat House, Oct. 1st at 8 p.m.

Registration for figure skating will be held at the Clubhouse on Oct. 1 from 7 - 8:30 p.m. and on Oct. 3 from 9:30 - 11 a.m. Further information may be had by telephoning 593-8444.

A Cub leader is urgently needed for First St. Albert Pack, which meets each Thursday from 6:30 - 8:30 at Father Jan School. There are about 25 boys in the pack. Would any man willing to take on this leader's job please telephone 593-6485.

SOCIAL EVENING

A social evening open to the public will be held on Friday, Oct. 2. Wear your curling togs and there will be an opportunity to throw a few rocks. Draws for the man square and mixed leagues are already posted and it will be a good chance to see the new look the rink has taken on over the summer. Council candidate Bob Hudson will handle the emcee duties and it should be a fun evening. Mrs. Bea Watkins has been appointed concessionaire for the season.

Student elect Jeff Armstrong

Jeff Armstrong, a grade 12 student, collected 106 votes to easily win the election for president of the Paul Kane High School Students' Union. Others in the running were Wayne Mackay, Dave White and John Kamboff.

Also elected to office last week were Christine (Chris) Meuse, secretary; Lyall Thomson, treasurer; and Kent Richardson, social secretary. Chris is also a grade 12 student. Lyall and Kent are in grade 11.

Jeff announced Tuesday that elections for grade representatives to the Students Union executive will be held Oct. 24.

-ADVERTISEMENT-

The Editor:

It is a pleasant change to see that there are a number of interested women and men in St. Albert to make a contest for the vacant council and school trustee seats. From what I can learn either or both of the men running with me for the separate school board would be good trustees. One could wish that there were four or five contestants so that a broader selection could be made by electors.

On October 14 the electors will choose two of the three candidates for separate school trustees. The choice, I suggest, should be on the basis of what the voting parent or taxpayer feels each man will try to accomplish if elected. Just what does each candidate think about the way our schools are running or should run?

I intend to write one more letter, and pay for it, to put on the record a number of specific ideas I would initiate if re-elected. If the electors agree they can show it by voting for me, and I will get on with the job.

Perhaps the other two gentlemen will put their ideas in writing and, if you extend them the courtesy you have shown me, the electors can make a logical choice in the direction they want the education of our children to go.

Wm. A. (Bill) Penrose.

Playschool starts Friday

Classes begin Friday, Oct. 2 at the Clubhouse for St. Albert's Co-operative Playschool with 17 children registered to date. The school has room for eight more five-year-olds.

For the very nominal sum of \$8.50 per month the playschool provides two hours of instruction three mornings a week, on Mondays, Wednesdays and Fridays from 9:30 to 11:30 a.m. Which works out to about 35¢ per hour.

Mothers assist in operating the school by arranging car pools and volunteer help in the school. Executive members this year are Ev Grant, president; Lois Adams, vice - president; Sharon Lonsbury, secretary; Perles Wilcox and Sharon Taylor on roster; Val Bradley, supply; Myrna Darieu, program and Mrs. Bosman, entertainment. Interested parents can telephone -- 599-6507, 599-8246 or 599-5146 for Information.

Tomorrow is Ranger Day

All girls aged between 14 and 18 are invited to Mrs. H. Aitkens' house at 41 Stanley Drive tomorrow at 7 p.m. with a view to becoming Land Rangers.

A former Brownie, Guide and Ranger, Mrs. Aitkens will be registering the names of Rangers and is anxious to meet any newcomers who think they might be interested.

The Rangers' program, which is decided upon and put into operation by the girls, will be established at the meeting.

Joint use meets with Park board

Meetings of the Joint-Use committee and the St. Albert parks and recreation board will be held in the council chambers on Tuesday, Sept. 28 - the committee meeting at 3:30 p.m. and the board at 4 p.m.

These meetings are open to the public and anyone interested in the use and development of the recreational facilities in the town is invited to attend.

Presentations may be made by organizations or individuals to the parks and recreation board and should be addressed to the Secretary, St. Albert Parks and Recreation Board, Town Hall St. Albert.

The Kinsmen Club of St. Albert thanks the citizens for their support of the recent Peanut Drive. Your generosity made this year's campaign the biggest yet. We believe this reflects your support of our project to put artificial ice in the arena, which the funds will aid.

Pearls in the Sturgeon?

The idea of pearl-fishing in the muddy waters of the Sturgeon River might sound ludicrous, but that is just what nine-year-old Diane Lafranchise of 10719 149 St.,

Edmonton, did recently and here she is proudly holding the clam shell containing the pearl she found.

Diane, only daughter of Mr. and Mrs. Roch Lafranchise

chise was staying at her grandfather's, Leonard Anther's farm four miles west of St. Albert. She went down to the river to play and there embedded in the sand was the clam shell with the pearl inside it.

Valued by a jeweller the pearl was found to be worth very little - less than \$1.50, but to Diane it is priceless. After all it isn't every day one fishes a pearl from the Sturgeon River.
